

## 2021-22 Sportsman League

Welcome to the 2021-22 Sportsman Curling League. Our first game of the season is October 13. All games this season will have a scheduled **start time of 1:15 PM.**

### Paid Dues

- On Oct 13, 20, and 27 we will hold a draw with the teams that have fully paid their fees. (This seasons' league fees are \$1300 / team.) Whether you have a 4- or 5-man team, once full payment is received (\$1300) your team name will be entered in a draw for a jug of beer. A paid-up team could win a maximum of 3 jugs.
- If paying by check please have everything completed before arriving at the curling rink. We have a stamp for the **Pay To** field. If you are a 4-person team the amount is \$325 each. If you are a 5-person team the amount is \$260 each.

### Doubles Board

- The Doubles Board will be back in play this season.
- **Note:** to qualify for the doubles board the 2 opposition stones (includes guards) must be taken completely out of play, not just out of the house.

### Bottle Draw

- The bottle draws will be back this season and will be held after the team handling the draw has competed their 4<sup>th</sup> end.

### Spares

- To avoid conflict be sure to have all your alternate players listed on the team roster. An alternate player can play any position. A spare that is not listed as an alternate player may play any vacant position as long as no regular player is displaced downwards.

## Curling Alberta Membership

- Curling Alberta has changed their fee structure this season. In the past, curling clubs paid a flat fee for every sheet in the facility to Curling Alberta as well as a \$2/curler fee to Curling Canada. This season, that has changed to a single fee of \$13/curler. Any curler in Alberta who plays more than three games in a season is required to pay this fee to their curling club who will then remit it to Curling Alberta.
- Therefore each curler participating in the Sportsman League will have to create an Avonair registration account on-line and pay the \$13 Curling Alberta fees directly to the Avonair. **Note:** if you have paid for this fee at a different club you do not have to pay again, but you still have to register. See the Avonair website at <https://avonaircurlingclub.ca/> for more information and to create the registration account.
