

REFUND POLICY

2020/21 Season

- Payment for league fees is due at the first game of the league's season.
- 50% of each member's league fees are non-refundable. This is to cover fixed costs associated with facility start-up and shut-down tasks.
- In the event that the club is forced to close during the season due to public health requirements or based on direction from AHS, up to 4 weeks worth of league games may be rescheduled to alternative weeks (on the same day) during or at the end of the season.
- In the event that any additional league games need to be cancelled, the remaining 50% of each member's league fees are refundable on a pro-rated basis, based on the number of cancelled games. Each member may choose between a refund, a credit towards the following season, or offering the credit as a donation back to the club to help support ongoing operations.
- No credits or refunds will be offered for rescheduled games, or for games missed by individual players due to illness or self-isolation requirements.
